### Art/Design and Technology

#### Design a Sports Logo

Recreate the logo for your favourite sport team or design and create your own sport logo, perhaps for a school team. Begin by sketching this with pencils, trying our different designs before adding colour then having a go at making it 3-D.

#### Viking Long Ships

The Vikings were famous for their ships, they allowed them to trade, explore and conquer! Have a look at this video

<https://www.youtube.com/watch?v=GZOWhLOARSw>

I have put a sheet in Google Classroom called Longships. Can you record some facts about Longships? Either type on the sheet or print it and take a picture.

## Science

### Super Movers!

Take part in this football themed Super Movers! There are two levels - [Super Movers!](#) are a great way to keep active and have fun! Try [Go Noodle](#) and dance along to one of their routines - there's plenty to choose from and the whole family can join in!

Take your pulse before you start to exercise, feel how fast your heart is beating.

Do some exercise, how fast is it beating now?

More importantly - how long does it take to get back to normal? This is your recovery time.

Repeat this everyday, does your recovery time improve?

Remember to put a video or photo of work dancing on the class Facebook page.

## PSHE

### Celebrating Me!

We are all unique; we have our own thoughts, opinions, feelings and interests. Being an individual is a good thing, it helps make the world an exciting place to live!

Draw a picture of yourself in the inner box and write all the things which make you unique in the outer box - celebrate you!

## Spelling/Phonics

Mr Warhurst's Group go to Google Classroom and find Spelling Unit 10. Either print it off or just answer the questions in your book.

Mrs Lovelock's Group please practice the **ir** sound. For example whirl, girl twirl, first, skirt, shirt etc
